Commissioner for Patents

Sir:

The below-named attorney of record, authorized to act on the behalf of the assignee of record, hereby disclaims the terminal part of the entire patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of the patent that issues from commonly owned U.S. Patent 5,990,881 ("the '881 Patent"), and

hereby agrees that any patent so granted shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to the '881 Patent. This agreement is to run with any patent granted on said application and to be binding upon the grantee, its successors or assigns. 100% of the title to the present application is in Sony Corporation, a corporation of Japan, by virtue of an assignment from the inventors of the parent application, from which the present application is a continuation. The assignment was recorded in the Patent and Trademark Office in connection with parent application 08/840,199, now U.S. Patent 5,990,881, on January 22, 1996 at Reel 7797, Frame 0735.

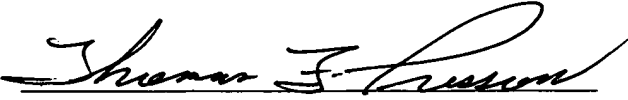

The evidentiary documents accompanying or referred to in this Terminal Disclaimer have been reviewed by the undersigned and it is certified that to the best of the undersigned's knowledge and belief, title is in the assignee seeking to take action.

The below-named attorney of record does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of the '881 Patent, in the event that: the '881 Patent later expires for failure to pay a maintenance fee; is held unenforceable; is found invalid; is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a); has all claims canceled by a reexamination certificate; or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title stated above.

A check in the amount of \$130.00 is enclosed as payment of the Terminal Disclaimer fee.

Please charge any insufficient fees or credit any overpayment associated with this
Terminal Disclaimer to Deposit Account No. 50-0320.

Respectfully submitted,
FROMMER LAWRENCE & HAUG LLP
